“Empire has worked with numerous consultants, but none have been as effective in engaging our employees as **FUEL it**. The breadth of knowledge and experience across multiple aspects of management and leadership serve the team as credible and influential instructors. **FUEL it** is the catalyst for transformation and growth among our future leaders.”

John Phillips, COO, Empire Express

### 30-Minute Topic Introduction Workshop

Each month participants are introduced to a new topic through a virtual, engaging 30-minute workshop.

### 1-Hour Independent Online Learning

Managers are busy, so they can pace out their independent learning time to fit their schedules. It is recommended they spend 30-minutes per week to keep on track.

### 30-Minute Practice Accountability Session

Review session with skilled facilitator to guide participants in building action plans for implementing newly learned skills.
